

Lock 16 Café Menu

The Lock 16 Café and Center offers a quaint, antique setting with a focus on Illinois history and American heritage. Lock 16 Café is open for breakfast and lunch and caters all of our daytime and evening events. Not only can events be held in the Center, but also on our Canal boat. The Lock 16 Center and the LaSalle Canal Boat are perfect venues for weddings/rehearsals, bridal and baby showers, birthdays, retirement parties, reunions, after hour parties, workshops, and corporate meetings.

The LaSalle Canal Boat is a replica 1848 mule-pulled canal boat located on the Illinois & Michigan Canal traveling on the same hand-dug waterway as pioneers. From May to October, hour-long boat rides are narrated by period dressed crew taking guests back to life on the American Frontier and Illinois Prairie.

The LaSalle Canal Boat and Lock 16 Center, including the gift Shop and café, are operated by the nonprofit Canal Corridor Association. Operations are sustained through the revenue generated from boat rides and from sales of food and merchandise. The LaSalle Canal Boat was built and the Lock 16 Center rehabbed with grants from the state and federal government and donations from foundations, corporations, and individuals.

The Canal Corridor Association is a 501(c)3, nonprofit membership organization that helps build heritage tourism in the I&M Canal National Heritage Corridor and helps make the I&M Canal a resource for learning. It preserves history, protects nature and open space, and creates destinations for learning and fun along the I&M Canal, from Chicago to LaSalle /Peru. It enhances, raises awareness of and expands the parks, trails, landscapes and historic sites that make the I&M Canal region a special place.
